CAREER OBJECTIVE

Dedicated Computer Science student passionate about building efficient and user-centric applications. Strong analytical mindset with a focus on writing clean, reliable, and scalable solutions. Looking for an opportunity to apply my abilities and grow through real-world challenges.

TECHNICAL SKILLS

- **Languages :** Java, Python, ANSI SQL
- **Core Concepts:** DBMS, CN, OOPS
- **Web Technologies:** HTML, CSS, JavaScript
- **Tools and Technologies:**

PROJECTS

Sched Guru / React.js, Node.js, Express.js, MongoDB

[Project Link](#)

- Engineered an automated scheduling platform for generating faculty timetables and exam seating plans, reducing manual administrative workload by 80% through intelligent automation.
- Developed a dynamic Node.js based seating algorithm with MongoDB integration and secure role-based access control, ensuring accurate scheduling, reliability.

Endangered Species Information / HTML, CSS, JavaScript

[Project Link](#)

- Developed a fully responsive, multi-page web application using HTML, CSS, and JavaScript with dynamic species data cards, optimized navigation, and modular UI components.
- Implemented client-side interactivity including form handling, alert acknowledgments, and data-driven sections for species information and conservation initiatives to enhance user engagement.

Energy Prediction / Python, Scikit-Learn

[Project Link](#)

- Developed a machine-learning-based energy consumption forecasting system using time-series analysis to accurately predict future demand, detect anomalies, and cluster consumption patterns.
- Achieved improved power-management insights by generating precise consumption forecasts, identifying abnormal usage trends, and producing data-driven cluster reports for decision-making.

CERTIFICATIONS

- HTML - Spoken Tutorials by IIT Bombay
- DSA in Java - Infosys Springboard
- Azure Fundamentals(AZ-900) - Microsoft
- Basics of Python - Infosys Springboard

EDUCATION

Bachelor of Technology in Computer Science and Engineering

June 2022 - Present

Prasad V. Potluri Siddhartha Institute of Technology, Vijayawada, Andhra Pradesh

CGPA-8.24/10.0

Board of Intermediate Education

May 2020 - April 2022

Sri Chaitanya Junior college, Vijayawada, Andhra Pradesh

Percentage - 92%

Secondary School Certificate

June 2019 - March 2020

Nirmala High School, Vijayawada, Andhra Pradesh

Percentage - 74.6%

EXTRA AND CO-CURRICULAR ACTIVITIES

- Achieved 1st place in a college-level Ideation competition by collaboratively developing an innovative application that connects farmers directly with customers.
- Helped plan and coordinate "Quiz Week" conducted on behalf of the Student Council
